# Policies and Procedures

- Cancellation of reservations that are 60 days or less, prior to the event, will result in 100% forfeiture of fee. Cancellation of reservations 61 or more days prior to the event will result in forfeiture of \$200 plus 6% tax. The balance will be refunded.
- Point Betsie Lighthouse (PBL) grounds and front porch are available, by pre-arrangement, for wedding ceremonies with parties of 50 or fewer attending guests.
- To secure the date, for weddings/special events, users must compile and submit a signed contract with full payment for wedding ceremonies/events of 50 or fewer guests.
- The charge to rent Point Betsie Lighthouse is \$500 plus tax and is for a 2 hour time limit which may begin no earlier than 5:30 p.m.
- A Wedding Suite is available for pre-wedding preparations, to keep your event attire, or to store wedding party personal belongings during the wedding.
- Early reservations should be made to avoid possible booking disappointments as summer and early fall are very busy times at Point Betsie Lighthouse.
- If you have floral arrangements, musicians, soloists, and/or sound equipment, chairs, tables, or tents they are to arrive and leave within the 2-hour time limit.
- If extra time is required we ask that you book this in advance and that you consider there will be an additional charge at \$250.00 per hour.
- There is absolutely no wedding coordination service or support, including no musical instrumentation, sound equipment, flowers, altar, or other ceremony props available.
- PBL does provide one designated staff person who is available to facilitate some limited wedding support, but staff will not be able to prepare or organize your event.
- There is no affiliated Point Betsie clergyman. Each couple must select their own clergy or public official to perform the ceremony. If a rehearsal is desired, it must be scheduled at the time of booking the ceremony date and additional charges for rehearsals do apply at a rate of \$250 per hour.
- The earliest time for wedding party arrivals is 5:30 p.m.
- We strongly encourage that the wedding party designate someone to recognize your wedding party members and guests upon arrival. The designated person should be prepared to monitor your invitees at the gate. Point Betsie may provide a volunteer to help monitor the gate, and to insure privacy for your event, but there is no guarantee that a volunteer will be available to provide this level of assistance.
- Each couple is responsible to remove flowers, wedding decorations, and other items immediately following the ceremony. Point Betsie is unable to store items at the site.
- In the event of rain, the Fog Signal Building is available for use at no additional charge. Small weddings of 12-15 can use the living room of the lighthouse in the event of rain, if needed.
- If you wish to rent the Fog Signal Building for your reception, or other related activities, the charge is an additional \$500 plus tax. The time will be kept to a maximum of two hours. Every additional hour is charged at \$250 plus tax.
- All weddings and facility rentals are scheduled on a first come, first serve basis.
- Wedding, picture taking, and clean up are all limited to the allotted 2-hour time period.
- Point Betsie's Special Event Coordinator or a designated PBL staff member will meet with the engaged couple at a time that is mutually acceptable to all. This time will allow for any additional reviewing of the procedures, and considering of the facility for event set-up.
- Point Betsie Lighthouse and grounds is a 100% non-alcoholic public event facility.
